

SVCC was established as a new Corvette owners' club to our area in 2003. We started as a group of corvette owners who wanted to have fun with our cars. We have become friends through Corvette ownership. In 2004, SVCC became incorporated as a non-profit organization.

OUR PURPOSE:

1. *To encourage interest In Corvettes*
2. *To promote favorable relationships with the general public and gain camaraderie with fellow Corvette owners*
3. *To exchange ideas, general information and technical data relative to Corvettes and Corvette owners*
4. *To actively support sports car events and competitions in various forms*
5. *To cultivate safe driving habits and stimulate pride of ownership among Corvette owners*
6. *To secure the latest technical information, literature, etc. from the factory & related sources*

WHERE AND WHEN:

SVCC meetings are usually held on the 3rd Thursday of each month at 7:30PM. Since our members come from throughout the Susquehanna Valley, our meeting places vary. For exact dates and monthly meeting locations, visit our website at:
